K-12 Databases 2011-2012 Order Form

Current Contract Information:
EBSCO access is paid through August 31, 2011
Britannica access is paid through November 30, 2011

- This K-12 Databases contingency program offers continuation of existing access to EBSCO and/or Britannica Digital Learning should state funding be eliminated. Orders placed will secure access to the resources selected.
- Per campus minimums can be waived if packages are ordered at the district level, a district minimum may still apply.
- Should state funding become available, PO's for this commitment will be voided.
- Invoicing will occur in October unless otherwise requested
- Logins will continue to be the same as last year unless otherwise requested

Yes, we would like a customized campus login

Requested Username: _____
